

INTERNATIONAL CONFERENCE **Old-growth forests: policy and practice**

October 16 - 17, 2025, Kalsnava, Latvia

9:30 am – 16:30 pm (EEST); 9:00 am – 16:30 pm (CET), hybrid

**Organized by the Latvian State Forest Research Institute "Silava" in in cooperation
with IUFRO and supported by Latvian Academy of Agricultural and Forestry
Sciences and The Forest Research Station**

AGENDA

October 16

8:30 – 9:30 Morning coffee and registration

9:30 Opening

(10 min) *Latvian State Forest Research Institute Silava (Latvia)*

**9:40 A global perspective on temperate old-growth forest ecology, conservation, and
(40 min) restoration**

*William S. Keeton, Professor, University of Vermont, Deputy Coordinator of IUFRO
working group on old-growth forests (USA)*

**10:20 Compilation of a set of criteria for identifying "sacred forests" of high natural
(30 min) value: identification, testing, and analysis of usable data, recommendations for
practical use**

Tibor Standovár, Associate Professor, Eötvös Loránd University (Hungary)

**10:50 Utilizing Diverse Geospatial Datasets for Identifying Different Types of High
(30 min) Conservation Value Forests**

Ewa M. Grabska, Assistant Professor, Jagiellonian University (Poland)

**11:20 Tree biomass changes over the last century in old-growth forest stands: case
(30 min) from Slītere National Park**

Laura Ķēniņa, Researcher, Latvian State Forest Research Institute Silava (Latvia)

**12:00 Lunch break
(60 min)**

13:00 TreMs in Romania old-growth forests (online)

(30 min) *Ana Mary Petritan, Researcher, National Research and Development Institute in
Forestry "Marin Dracea" (Romania)*

**13:30 Gliding towards an uncertain future: Conservation of the old-growth mixed
(30 min) forest adapted Siberian flying squirrel in Europe**

Stefan Prost, Assistant Professor, University of Oulu (Finland)

- 14:00 **Understanding bryophyte ecological characteristics in deciduous forests, Latvia**
 (30 min) *Anna Mežaka, Senior Researcher in Daugavpils University and Associate Professor in Latvia University of Life Sciences and Technologies (Latvia)*
- 14:30
 (30 min) Coffee break and poster session
- 15:00 **Forests for biodiversity in Latvia role of old-growth forests in this system**
 (30 min) *Gita Strode, Director of Department of Nature Conservation, Nature Conservation Agency (Latvia)*
- 15:30 **EU forest habitat improvement – lessons from old-growth forest stands in Latvia**
 (30 min) *Āris Jansons, Director of Forest Department, Ministry of Agriculture (Latvia)*
- 16:00 **Closing of the conference**
-
- 18:00 **Farewell dinner**
-

October 17

- 9:00 – 13:00 Tour to research forests in Forest Research Station "Kalsnava"
 Old-growth forest stands studies in Latvia
 Forest habitat reconstruction (*JSC Latvia's State Forests*)
 Tree-Related Microhabitats and Epiphytes on Champion Oaks
